

Home Telecom's new in-home streaming video service, HomeStream TV is here! Cut the cord without sacrificing all the entertainment you love!

With tons of features and content, all in HD, it's easy to use on the devices you already have such as Amazon Fire TV, Apple TV or on your smartphone. You'll find the HomeStream TV app exactly where you'd access your other favorite streaming video apps.

HomeStream TV features an interactive, intuitive program guide with advanced

filtering to access movies, sports, kids programming and more. Record live or upcoming TV and save entire series or just one episode. And by creating a profile for each member of your household, HomeStream TV can feed you new shows, movies or sports to watch specifically tailored to you or can help you pick up where you left off.

It's TV made for you. With 3 base packages to choose from and add ons like Premium movie channels, sports programming and additional streams plus Cloud DVR storage, we have all the entertainment you'll need, just the way you like it!

Pricing represented include itemized billing for levels of service below your choice of subscription. For instance, Basic requires Limited Basic, Essential requires Limited Basic and Basic. Essential subscription required to upgrade to a Premium Movie package or to add NFL RedZone HD. All packages are subject to federal, state, local regulatory fees, and a Broadcast TV Surcharge. Users of HomeStream TV service are required to supply their own compatible internet connected device on which they may download the HomeStream TV app and stream the service instead of leasing traditional cable boxes. Recordings for Cloud DVR will be deleted after 1 year. Subscription to HomeStream TV programming package and internet speed of 6 Mbps per stream are required to receive HomeStream TV service. Not available on all streaming devices. Quality of stream may vary depending upon a variety of factors, including the environment, number of devices connected to your internet, age of device, and the type of device used for streaming. In the event you experience an interruption in your internet connection, HomeStream TV will be affected. Restart and Replay is enabled/disabled on an individual show and/or network basis dependent on allowances in content agreements. HomeStream TV product details, channel lineups, pricing, and availability are subject to change. Taxes and fees are not included in package prices. Additional restrictions may apply.
